BRITISH TRADITIONS

Every country has its own traditions and customs. In Britain traditions play a very important role in the life of people. We can't say: we know English, if we don't know English traditions. The British are proud of their traditions and keep them carefully.

Customs and traditions of Great Britain

In Great Britain people attach greater importance to traditions and customs than in other European countries. Englishmen are proud of their traditions and carefully keep them up. The best examples are their queen, money system, their weights and measures.

В Великобритании люди уделяют большее внимание традициям и обычаям, чем в других европейских странах. Англичане гордятся своими традициями и тщательно хранят их. Лучший пример — их королева, парламентская монархия, денежная система, их система мер.

British holidays (Christmas, Easter, Guy Fawkes Night, Remembrance Day) are especially rich in old traditions and customs.

Британские праздники (Рождество, Пасха, Ночь Гай Фокса, День памяти) особенно богаты старинными традициями и обычаями.

Customs and traditions of Great Britain

One of Englishmen's traditions is their tender love for animals. Pets are members of English families and are protected by law. There are even special cemeteries for animals in Great Britain.

Одной из традиций у англичан считается их нежная любовь к животным. Животные являются членами английских семей и находятся под защитой закона. Существуют даже специальные кладбища для животных в Великобритании.
